REMEMBER THE YEAR WHEN:

The scholastically talented PEAKed in '81-'82.

A computer craze swept through our school when four TRS-80 computers arrived.

The Big Blue bus was unveiled to the community.

The Blue Devil football team — well, what needs to be said!!!

Puerta Vallarta, Mexico became the destination for the Spanish Club!

Disco died and "Heavy Metal" returned as the music fad.

Polo and Izod were the styles of the year, and even "knickers" came back to give another impression!

The Royal Wedding featured Lady Diana and Prince Charles.
 "Odyssey" came to Oklahoma City to help raise money for the Oklahoma Symphony Orchestra.
 Unsuccessful assassination attempts were made on President Reagan and the Pope, but guerillas succeeded in killing Sadat.
 A new grade school went under construction in mid- October, and a new Cordell Library was built for the public's convenience.
 It is hard to believe that all of these events happened in a mere 365 days. But they did in the
GREAT SCHOOL YEAR OF '81-'82!

Greg Palesano shoots for a Section #8.

Tracy tries the latest Revlon.

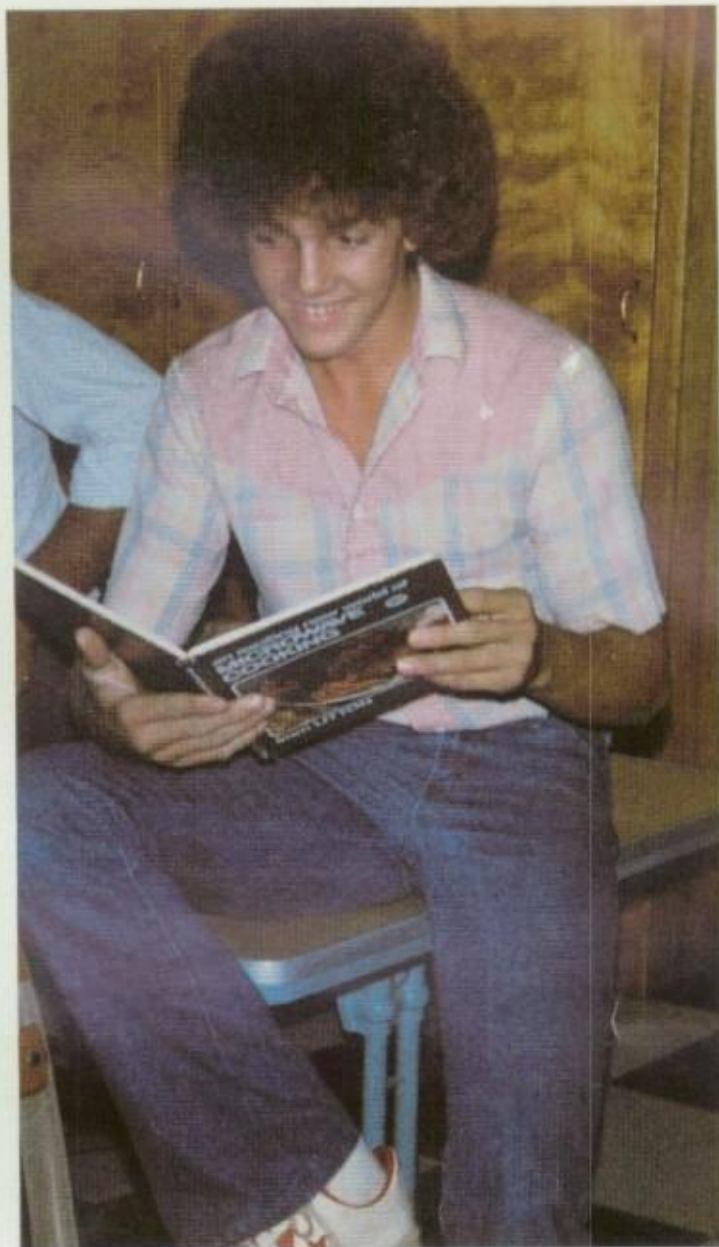

Kristi gives a pep talk before the Hobart game.

Mrs. Cleveland demonstrates unpopular uses of super glue.

Shelly enjoys an FHA initiation snack.

SENIOR-ITIS!

Remember getting up mornings with the 7:30 blues, wondering whether you'd pass that literature test first hour, getting writer's cramps from neatly inking the Masonic essay, struggling with choosing names for your announcement list, waiting eagerly for May 17th - Graduation Day? These are just a few symptoms of a pervasive disease — Senior-itis!

CLASS OF '82

Research indicates that this ailment, which affects only seniors in desperate need of graduating, has been around ever since the creation of high school. Can the problem be controlled? No one is sure. Many feel that the cure is the engraved name on a diploma. But whatever the answer, the seniors have Senior-itis and love it!!!!

BUSY JUNIORS LEARN AND EARN!

"Three thousand dollars for a banquet and prom?! I can't believe it!"

That was the prevailing attitude in September. But once convinced that the need was necessary, Juniors busied themselves quickly to earn the money. Aided by their parents, they served a Sunday dinner to over 500 people, then completed a very successful magazine sales campaign.

Selling alone didn't fill the year. There were class rings and promise rings, first driver's licenses and new cars, float and queen competition, and decisions on whether to take the ACT test, work after school, or play ball.

Even with all this hard work and competition, the Juniors have had a terrific time!

ACTIVITIES FILL 180 DAYS

From ordinary to extraordinary, 144 students took each day, brightened it, dissected it, mixed it together, and through the course of six classes, turned it into something special. Each day usually continued long after the doors closed, from musical practice to building floats to football to band contests. But it was the closeness of the friends that gave extra energy to get the job done.

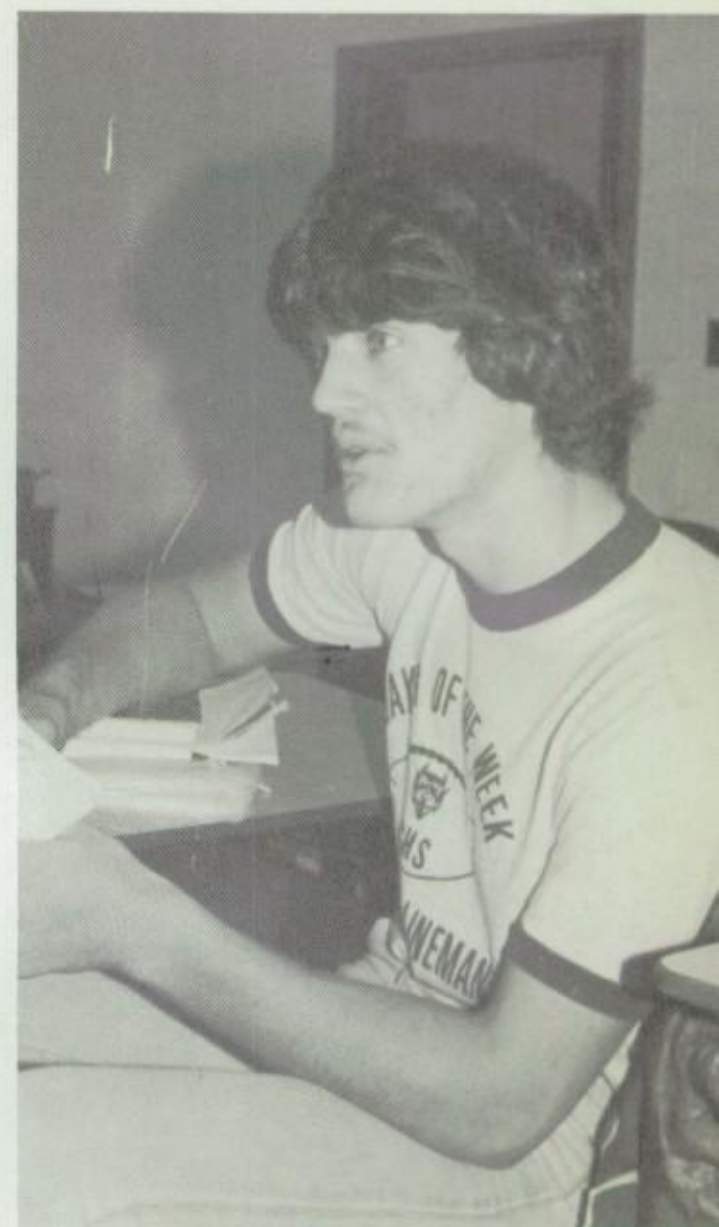

The town gets a six trumpet salute.

CONGRESSMAN ENGLISH VISITS CORDELL HIGH

Following an invitation from Mrs. Fleck's current events class, Representative Glenn English took time from his fall tour of the 6th congressional district to visit several high school classes.

A 1959 graduate of CHS, English is currently serving his fourth term in the House of Representatives.

English discusses national and international problems, above, as students listen attentively.

The '82 yearbook staff located two pictures of Glenn English used in the 1959 Blue Devil annual. Left, the congressman appears as all-district offensive end for the Blue Devils. Lower right, his senior portrait appears just as it did in the '59 book. Lower left, English visits with '82 seniors.

COUNCIL SUGGESTS CHANGES

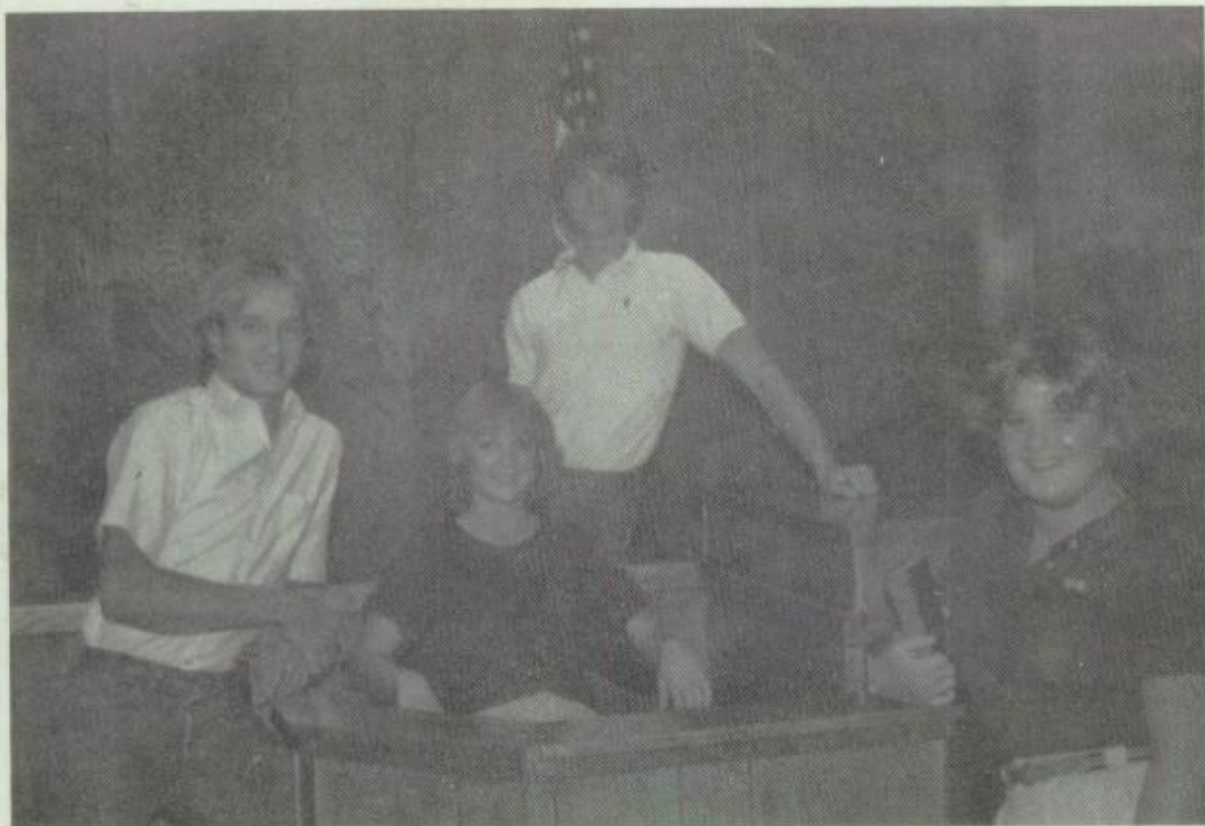

Designed to give the student body a forum in which to discuss school problems, the student council represents the opinions and desires of all students. The organization works to increase school spirit, develop leadership skills, and build better communication between the students and faculty. Current projects include obtaining stall doors for the boys' restroom and writing a school constitution.

FHA AND FFA CHALLENGE MEMBERS

The theme for the FHA this Year was "Live today for tomorrow". Under this theme FHA'ers watched a March of Dimes film on birth defects. Activities included the initiation, which had all first-year FHA'ers dress up like turtles, the subdistrict rally, the come-as-you-are breakfast that gave each member a chance to see the real FHA'ers. Also included in the activities were the visit to the haunted house near Roosevelt at Halloween. Their money making project was the smorgasbord dinner.

FHA Officers: Sherry Sperle, Christine Bryant, Kristi Waters, Kelli Prewitt, Cindy Granchie, Kyndal Hare, Marlis Reemts.

FFA Officers: Blaine Wesner, Curt Vanderveer, Timmy Twyman, Kristy Pankratz, Candy Butler, Mr. Keith Miller, Lana Twyman, Julie Maddox

The FFA this year consisted of 18 members with enthusiastic energy, enough energy to travel to twenty stock shows with their animals. Being a member of FFA takes up more time than one hour of class a day. It means getting up at the crack of dawn to feed the pigs, water the steers and work out the lambs, then still making it to school on time. It requires members to work after school to build fences, clean pens, and prepare the animals for shows. FFA'ers work in class, too, doing book work, and learning to weld. Their money-making projects included the annual slave sale, and the blue and gold sausage sale.

BETCHE'S BIRTHDAY BASH

On January 29, 1982, Mrs. Betche's English class gave her a surprise birthday party with a cake and party hats. The class knew it was the only way to get out of doing an assignment, so they threw her a party. Good idea, class!!!!

Two heads are better than one, just ask Russell Dyer and Jack Duerksen.

Advanced cake eating is taught in Mrs. Betche's class.

"M-I-C-K-E-Y," Mrs. Betche's class sings her favorite song.

Active seemed to be the best word to describe this year's Spanish Club. Between Mexican dinners and Taco parties the members barely had time to study. When the group decided to take a trip, they went all out! Puerto Vallarta, Mexico seemed like the only place to go deep-sea fishing, pari-sailing, skin diving, sight seeing and sun bathing! Leading the club to Mexico this year was Mrs. Kim Merrill.

Making the final decisions for the Spanish trip are officers: Darla Wallace-Treas., Mike Phillips-Vice-Pres., Holly Windham-Sec., and Greg Hall-President.

These individuals studied Graphic Communications, Auto Body, Auto Mechanics, Business and Office DECA, Diesel Mechanics, Air Conditioning, Meat Processing and Welding. The students found that on the job training was the best way to learn. But learning wasn't everything. Making friends that would last a life time was just another bonus of VO-TECH life.

Never was there a dull moment in journalism, Deadlines seemed to be constantly popping up. We soon found that new ideas and speed do not exactly mix, but somehow, we survived. The Cordell annual was especially fun to put together this year, although it took lots of hard work and fast thinking. Color appears for the first time in the annual, thanks to sixteen students who collected much money from generous boosters. It was Mrs. Long who kept us on our toes. Members of the 1982 journalism class have memories that will never be forgotten.

What's Jason reading? Verlane and Renee, "Caught in the act."

APRIL CROWNED QUEEN

With the home side of the Cordell Blue Devil Stadium filled to capacity, CHS football fans watched the crowning of the 1981 football queen, April Wallace.

Attending the queen were sophomore Holly Windham and junior Kelli Prewitt. The CHS band played the theme from "Ice Castle" as Steve Loper (kissing captain) crowned April the reigning queen.

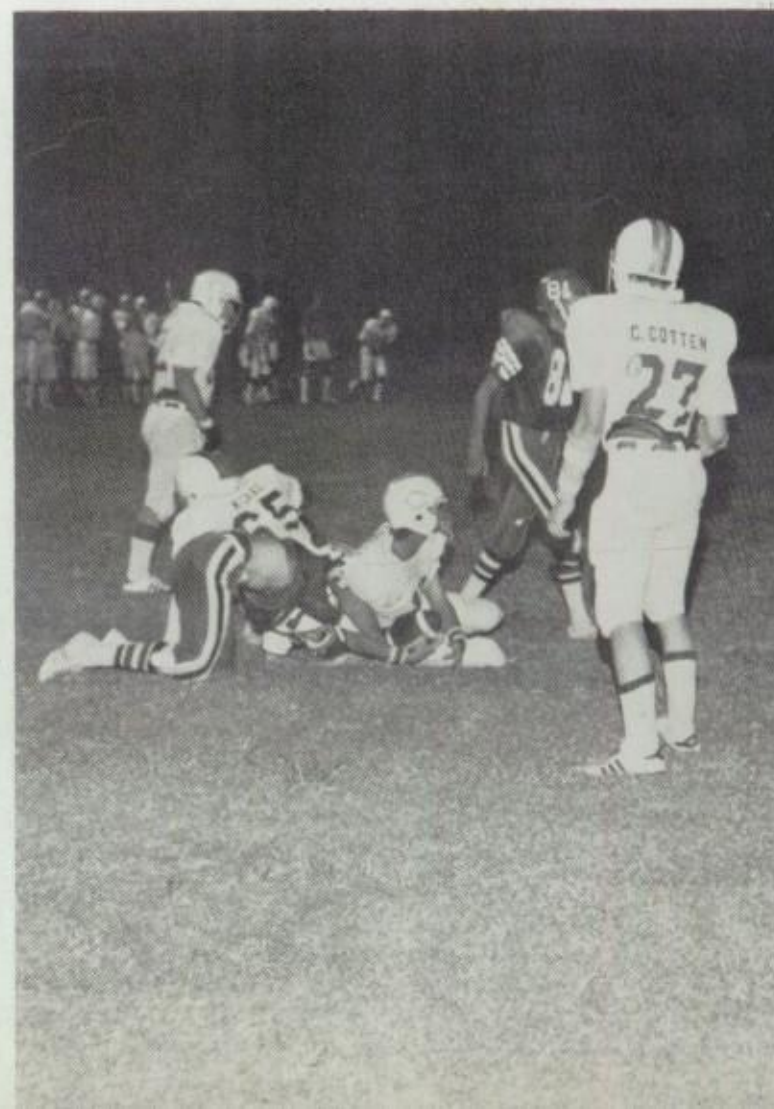

The coronation concluded the day's festivities which began with a homecoming parade displaying the class and band floats, football royalty and Blue Devil spirit. After the annual parade, a spirited pep assembly was held to boost enthusiasm for the game against the Hollis Tigers. After the Blue Devils defeated Hollis 28-6, students celebrated with a homecoming dance provided by the Junior Class.

Seniors came in first place in the float division with the original idea of "De-Feet the Tigers", displaying a guillotine.

Juniors took second place with "Toast the Tigers" displaying an oversized toaster popping up burned tigers.

Sophomores filled the third place spot with an enthusiastic "Wipe-Out the Tigers" displaying a giant wave and surfboard. The band float was not pictured but its theme was "Blue Devil Delight".

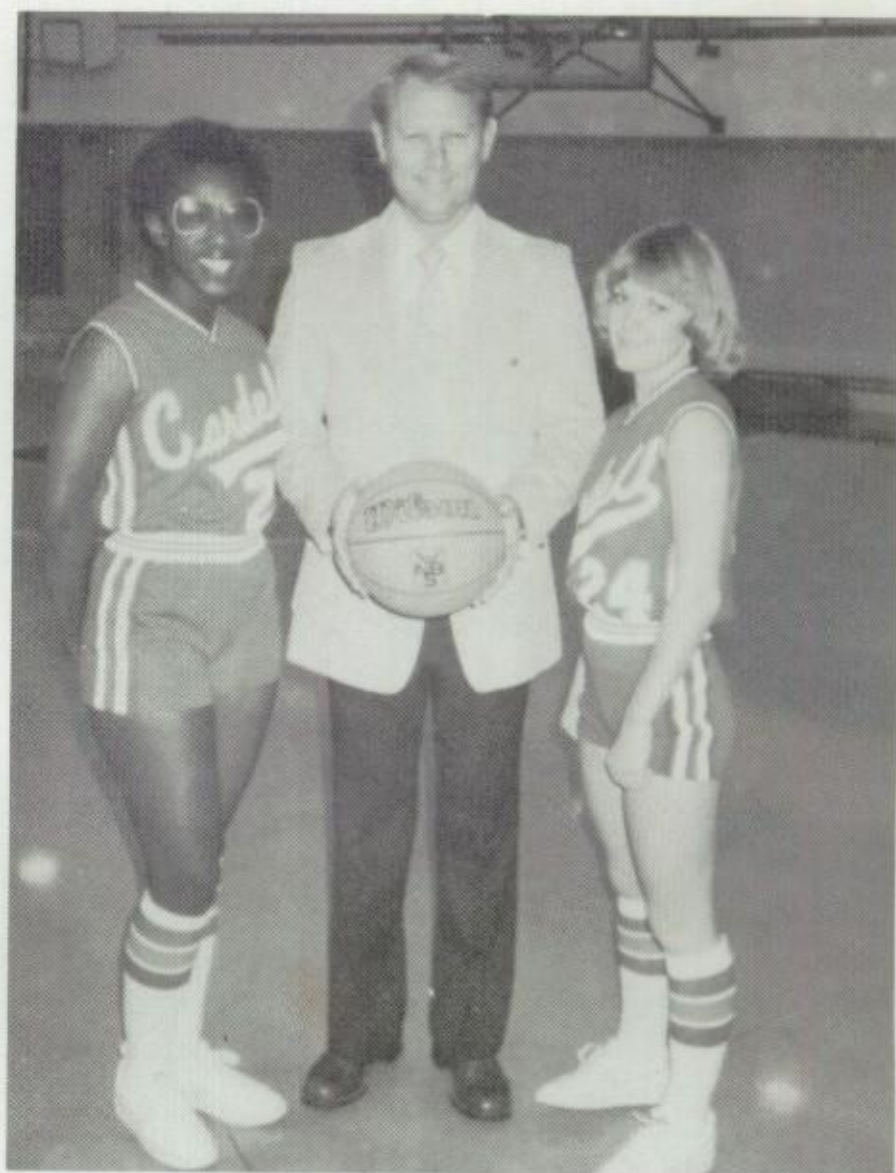

Cordell's omnipotent offense adds six more points to the year's final tally of 341 points.

DEVILETTES SHOW PRIDE

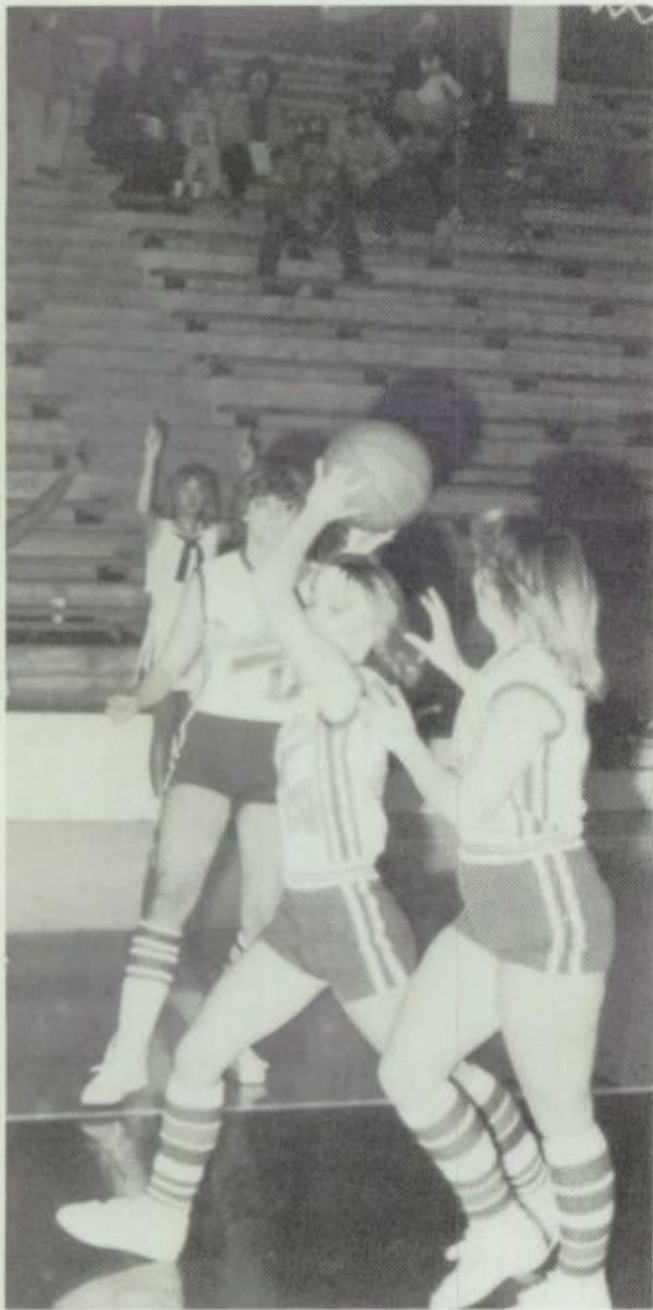

The Cordell Basketball Girls fought many battles and stuck together throughout to develop into an experienced team that knew success was a combination of spirit, enthusiasm, desire, effort, and physical and mental conditioning. The Devilettes didn't have a winning season, but they never gave up. The Devilettes will only lose two Seniors next year, Kammy Baldwin and Chris Bryant, both guards. One thing the Devilettes had was PRIDE.

WRESTLERS ADD MORE TO SQUAD AND IMPROVE!

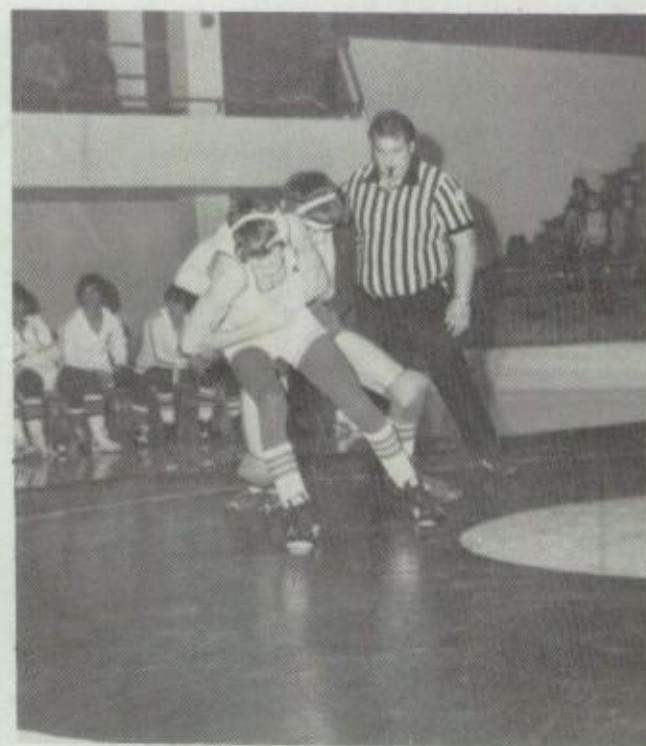

The high school wrestling club added more men to the team this year. The wrestlers have pride, courage and muscles. Individually, most of the wrestlers won matches, but some of them took a "fall." Coach Ratzlaff has done a great job over the past two years. A few of the wrestlers ranked high at different tournaments. This year just goes to show that the high school wrestling club gets better every year.

Back row left to right: Thomas Roundtree, Sammy Roundtree, Paul Ratke, Jeff Waters, Leroy Silvas and Coach Ray Ratzlaff. Front row left to right: Joe Long, Jim Franklin, Carey Heath, Jerry McGrath and Shane Vice.

JERRY BURROWS TAKES LEADERSHIP OF CORDELL SCHOOLS

The fall term featured a game of administrative musical chairs. Early in November, Jerry Burrows moved from the office of high school principal to that of superintendent after Danney Lidia resigned to enter private business. Burrows assumed leadership of Cordell Schools after 13 years in the system as coach, then principal.

Gary Maynard was then appointed high school principal, opening the junior high school principal's job to be filled by Mike Hyatt.

Promotions completed, these capable men settled into their new responsibilities for the duration of an unusual but successful school year.

JUNIOR HIGH BRINGS CHANGES

Everything is new for seventh graders: changing rooms each hour, carrying books from class to class, sharing lockers, and learning to live without recess.

Experienced upperclassmen demonstrate survival techniques: combatting the crush of crowded halls, making it first in line for lunch, convincing teachers that homework papers really do disappear in the halls and parents that "practically everybody" gets at least one failing slip.

But school life isn't only books and grades. The spice of Junior High brightens the week with ball games, pep assemblies, band trips and chorus programs — all growing experiences for students' fun.

Wendy Holman ponders the problems of junior high life.

Deanna and Lisa take time out from their busy schedule to relax at the park.

Chris and Freddie decide to do their work in the park.

Not going fishing, Jeff and Brad pet the Science class salamanders.

Shelly D., Mickey, and Shelly W. The new Charlie's Angels.

Sherri and Rhonda, "It's true love."

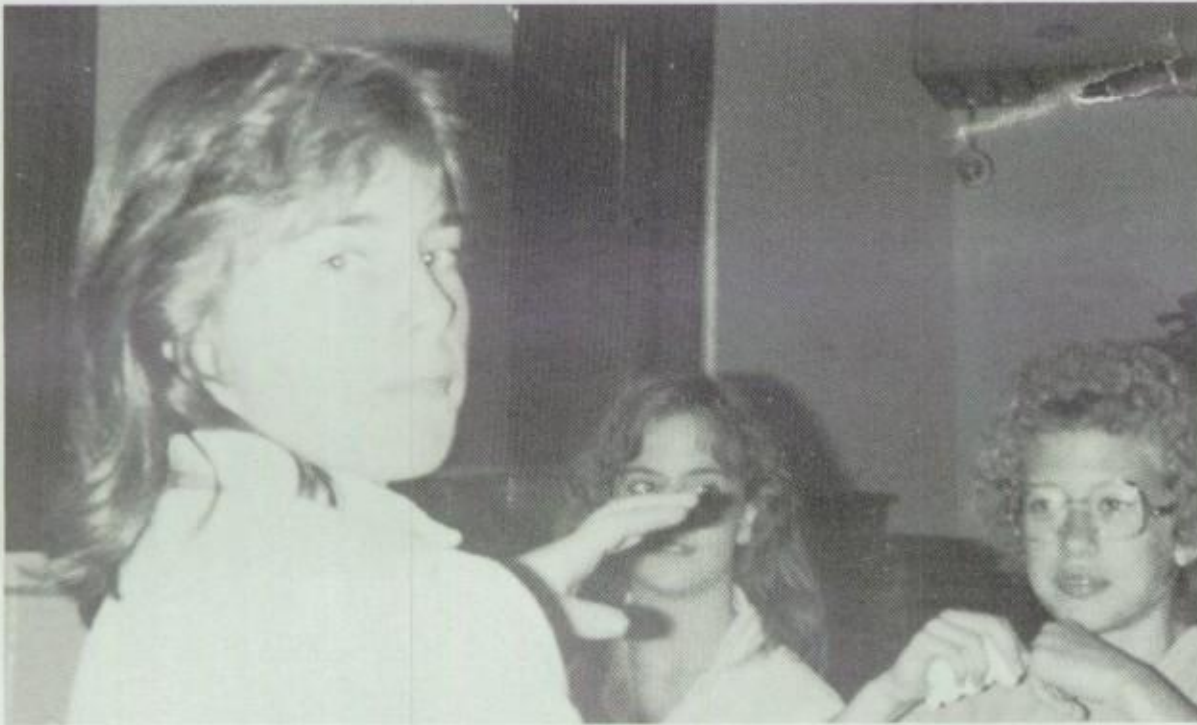

Keith, Shaun, and Pat laugh at the food situation in the cafeteria.

Mary postpones her eating to listen in on the latest gossip.

Jimmy Burrows could be the next Mr. Universe.

Shawn is showing Lisa and Michelle her martial arts ability.

Stacy Wedel is the future Dallas Cowboy Cheerleader.

The Junior High Music Department is young musicians and vocalists learning to play an instrument, putting on a Christmas concert, learning to sing on key and to march without stepping on the person in front.

The band director takes it one step at a time. First, he makes sure everybody can walk and chew gum at the same time. Second, he makes sure each can play an instrument while standing up. Then, he starts teaching the group to march and play at the same time. If he pulls this off, he must be JIM HOOPER.

Teaching junior high kids to sing in front of people has to be taken in steps, too. First, the chorus director makes sure everybody can keep cool in front of each other. Second, she has to teach the students to sing on key and out loud, not to lip the words. Then, after she teaches them to sing in front of each other, she can teach them to sing in front of an audience. And, if she pulls this off, she must be JOANNE CARLSON.

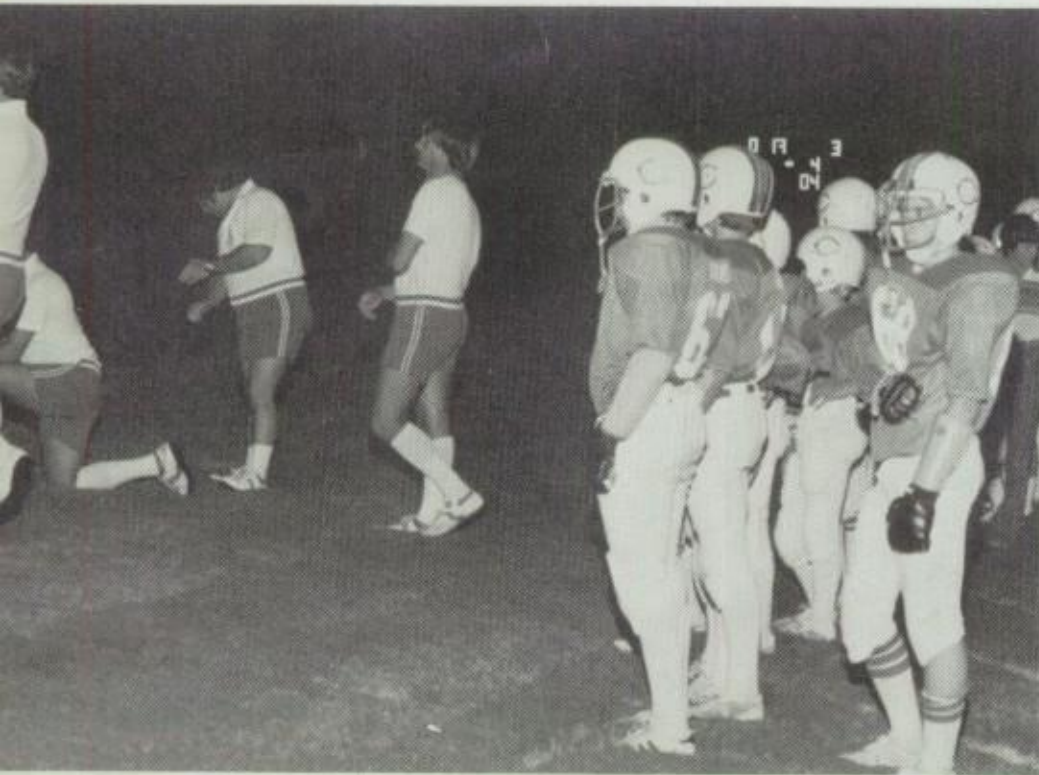

At contests, if the band and chorus get superior ratings, they must be the CORDELL JUNIOR HIGH MUSIC DEPARTMENT.

Cindy Stowers takes it easy at school.

Kenda, you really should pay attention to the teacher.

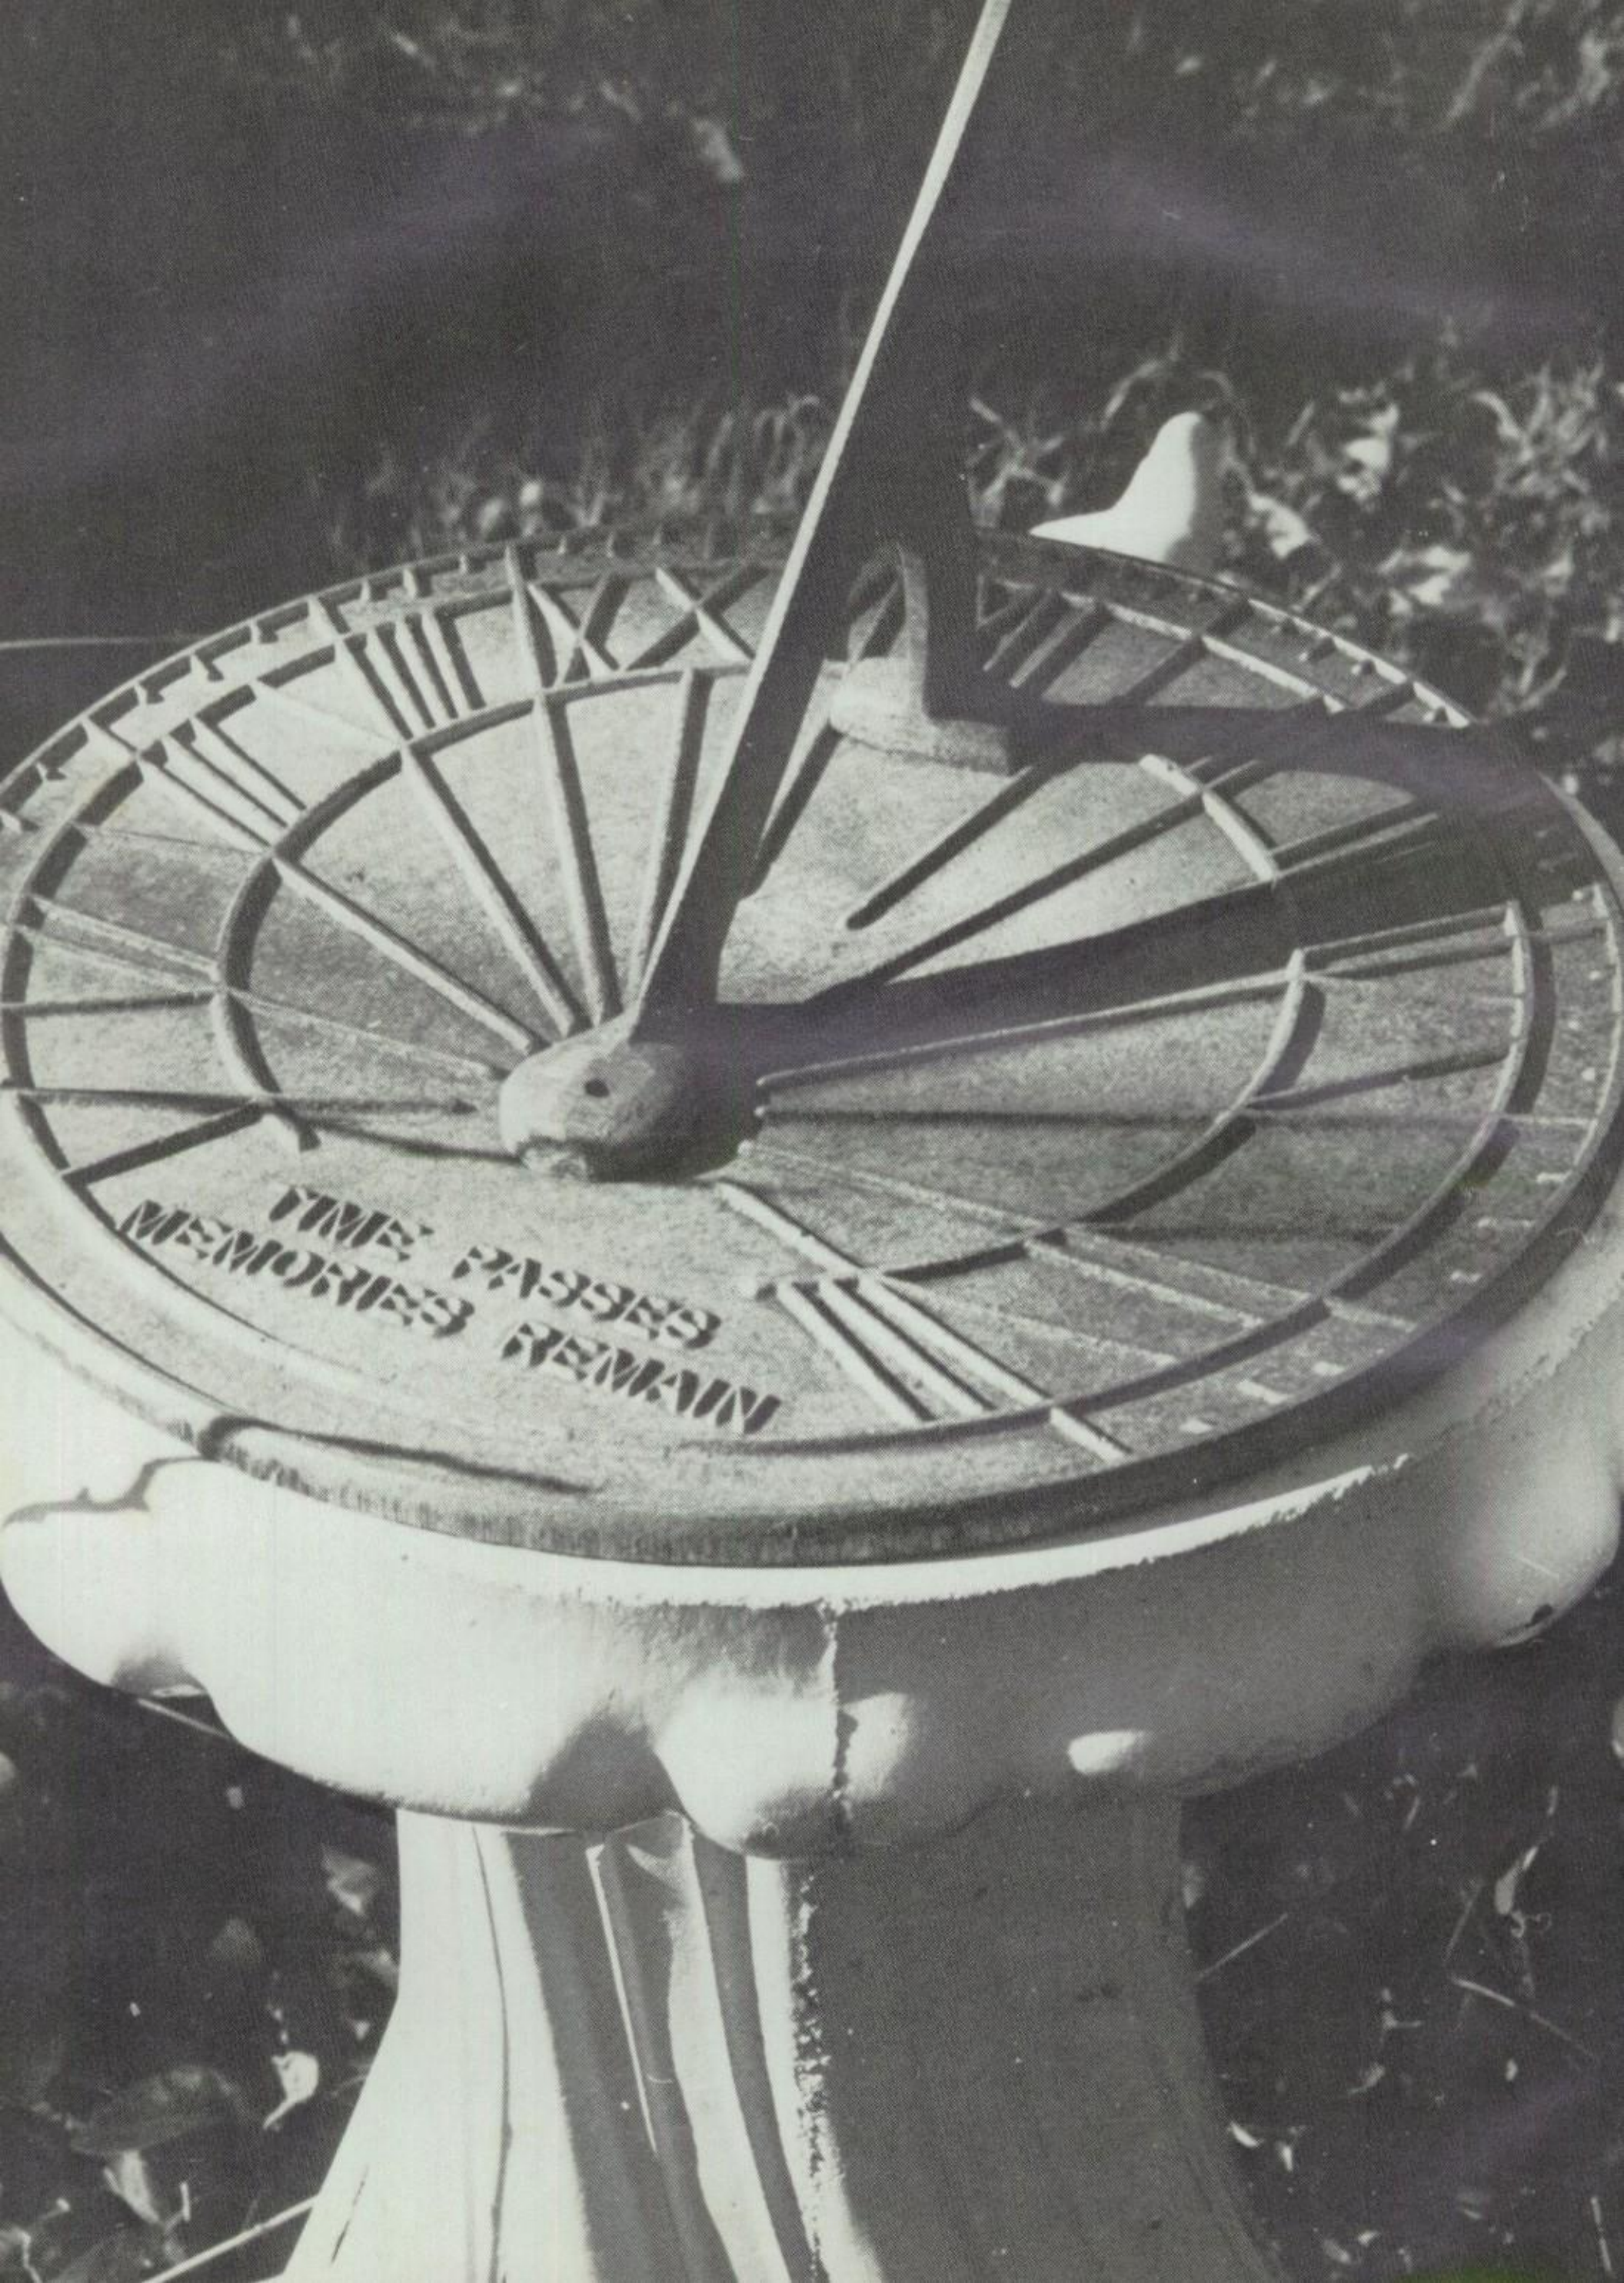

Mr. Lidia and friends.

Good friends
